

The background of the entire image is a photograph of a modern, two-story house with a swimming pool in the foreground. The house features a mix of light-colored stucco and dark wood siding. A large, covered patio area with a wooden pergola and glass railing is visible. Under the pergola, there is a built-in stainless steel grill and a dining table with four white chairs. Large windows and glass doors provide a view into the interior, which is warmly lit. The swimming pool in the foreground reflects the sky and the house. A green banner with a circuit-like pattern is overlaid on the upper portion of the image, containing the company logo, name, website, and a QR code.
